

GENESIS

Bidet e vasi sospesi o da terra, contraddistinti da un design senza tempo, apparentemente semplice, che nasce da dettagli fini e calibrati, come le linee che si assottigliano gentilmente o la forma leggermente curva e organica. Una presenza scultorea, che ben si colloca negli ambienti più differenti. I vasi sono SENZABRIDA®, privi di parti nascoste, per aggiungere sicurezza e igiene alla sobrietà del disegno.

GENESIS

Wall-hung or floor-standing bidets and Wcs, characterised by a timeless, apparently simple design that arises from fine and calibrated details, like the nicely tapered lines or the slightly curved and organic shape. A sculptural presence that fits well in the most different settings. No Rim Wcs, with no hidden parts, to add safety and hygiene to the sobriety of the design.
